Attention: Regarding Terrorist Raids

Dear Commissioner Cartwright

Congratulations to all
those Victorian Police involved in the Terror Raids in
Melbourne.

I was just reading you are investigating overseas Terror
links to find out how this young man and others are
getting radicalised into doing or even thinking about
doing Terrorist Acts here or aboard.

Please find enclosed the following book, **“The OzBoy
Files”** – **“The Truth About ISIS – ISIL”** if you truly
want to get a grasp about what you are facing then who
is funding, training and leading these people is a good
start.

The rest any school kid could answer on Who? What?
And Why?

Once you understand the WHO? What? And Why? the
rest of the pieces will fall into line and be self explained,
and as you will hopefully find out its all out of your
control to stop.

How are you and Victorian Police suppose to stop
countries and Governments and corrupt sell out
politicians supporting America and Israel, Saudi Arabia
funding these groups.

And you will be stepping on toes with ASIO and Federal
Police in trying to stop the recruitment and radicalisation
of Muslim youth being recruited to serve this evil group
of people.

But best of luck, try not to make to many enemies as you
investigate further, but at the end of the day you will fail,
this is all out of everybody's hands to stop.

Yours truly

Lloyd T Vance
